SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

In accordance with the duty of disclosure provisions of 37 C.F.R. §1.56, there is hereby provided certain information which the Examiner may consider material to the examination of the subject U.S. patent application. It is requested that the Examiner make this information of record if it is deemed material to the examination of the application by initialing and returning the attached PTO-1449.

Enclosed with this Information Disclosure Statement is a list of all patents, publications, applications, or other information submitted for consideration by the Office. These references were cited in the counterpart Japanese application. References are provided for the Japanese patents and a copy of an office action is included.

This Information Disclosure Statement is filed under 37 C.F.R. §1.97(c). Each item of information contained in the information disclosure statement was first cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of the information disclosure statement. If the U.S. Patent and Trademark Office deems an additional fees is due, please charge this fee and any other required fees to Morgan, Lewis & Bockius LLP Deposit Account No. 50-0310.

Respectfully submitted,

Date June 25, 2010
